

The Pupil Premium 2016 - 2017

What is it?

The pupil premium is funding allocated to schools for the specific purpose of boosting the attainment of pupils from low-income families. Funding is based on children who have registered for a free school meal at any point in the last 6 years, children that are in care or adopted and children whose parents are currently serving in the armed forces.

Why has it been introduced?

The Government believes that the Pupil Premium, which is additional to main school funding, is the best way to address the current underlying inequalities between disadvantaged children and their peers by ensuring that funding to tackle disadvantage reaches the pupils who need it most. Whilst schools are free to spend the Pupil Premium as they see fit we are required to publish online

For the financial year April 2015 to March 2016 our school received **£16,610** of Pupil Premium funding. For the financial year **April 2016 to March 2017** our school has received **£27,200**. The percentage of our pupils known to be eligible for free school meals is: **27%**. The national percentage is **26% (Primary)**

During 2015- 2016 we used the Pupil Premium in the following ways:

Smaller teaching groups in the mornings allowing more focused Teacher/pupil support for those pupils in receipt of funding;

Reading interventions 1:1 for four pupils;

HLTA support for delivering interventions to pupils in KS2;

Teaching assistant training and delivery of a Nurture programme at KS1;

Story club each morning before school;

Reduced financial contributions for school visits, enrichment activities and music exam fees to ensure no pupils miss out because of financial constraints;

Resources for revision and booster sessions for pupil premium pupils.

We are constantly tracking our pupil premium children and analysing their data to ensure that interventions are used in a timely and appropriate manner.

This year (2016 – 2017) we plan to use the Pupil Premium as follows:

• Breakfast Club	£760
• KS2 Spelling, phonics and reading intervention	£2000
• KS2 Reading booster sessions	£1000
• KS1 Handwriting small group intervention (lunchtimes)	£1200
• Nurture programme for KS1 (twice weekly)	£1600
• Maths 1:1 and small group interventions (after school)	£3400
• Maths teacher 1:2 for KS1 pupils during lessons.	£4500
• Extra teacher for Y2 mornings	£5420
• Teaching and Learning assistant support	£4000
• Contingency	£3720
Total	£27,200
